Service Plans from W&H

## Why W&H Premium Care?

The W&H Premium Care and Premium Careplus Service Plans for ThermoKlenz® washer disinfectors have been developed to enhance your decontamination facility in line with the Department of Health HTM 01-05 guidelines. They ensure peace of mind and you can be confident that your washer disinfector dryer is working at its peak performance.

### Quality Guarantee

As a Premium Care plan holder, you are guaranteed that we will only provide factory-trained and qualified W&H Technical Premium Service accredited service engineers to service, repair and validate your machine(s).

In the event of a breakdown, as a Premium Care plan holder, W&H guarantee that your call will be given priority.

### Plan Options

With two plan options, Premium Care and Premium Careplus, you have the flexibility to choose the plan that suits you best. The Premium Care plan offers a standard package to which you can add optional extras as you please – or choose Premium Careplus for a fully comprehensive service package which includes validation as per HTM 01-05 guidance without incurring any additional costs.

### Premium Care Duration

Premium Care and Premium Careplus contracts run for 3 years, and can be renewed for the lifetime of the machine.
